ATHLETIC HALL OF FAME

February 15, 2012

Dear Community Member:

The Center Moriches Hall of Fame Committee has been diligently working on the first induction ceremony. As Director of Athletics for the Center Moriches School District and co-chairperson of the Committee along with our High School Principal, Mr. Edward Casswell, we eagerly look forward to this prestigious event.

We are planning a celebration for the induction of the first group of honorees in the Fall of 2012. The cost of the plaques and to subsidize the dinner for the inductees is an expense that cannot be borne by the school district and must be raised through donations. Since our first induction ceremony will include approximately twenty inductees, the cost for this venture is significant. Each donation will be recognized in the following manner:

\$1,000 and above name engraved on a gold plaque permanently displayed in the Hall of Fame

\$500 - \$999 name engraved on a silver plaque permanently displayed in the Hall of Fame

\$200 - \$499 name engraved on a bronze plaque permanently displayed in the Hall of Fame

\$1 - \$199 name will be listed as a patron in the induction ceremony program

***Please note that New York State Education Department regulations specify that only individual names may be displayed on donation plaques. NO BUSINESS NAMES ARE ALLOWED.**

The committee hopes that your generosity will enable us to help finance the first induction ceremony with whatever amount you deem appropriate. It is the Committee's feeling that this is a very worthwhile and rewarding venture that will certainly help to continue the close relationship with our school and the Center Moriches community. Thank you very much for your assistance in this exciting community effort.
